**A BREATH OF FRESH ENGINEERING®**

Most known for its high-performance range hoods, FOTILE has been dedicated to improving family's kitchens for more than 20 years.

As the choice of kitchen appliances for over 17 million families worldwide, FOTILE has achieved a record-high revenue of \$1.9 Billion worldwide and a high-end kitchen appliance market share in China of over 43%.

FOTILE combines advanced technologies and aesthetic design to create happiness and wellness for families around the world.

With over 16,000 employees, and the largest State of the Art R&D Center out of any appliance company, FOTILE has earned nearly 3,500 patents with nearly 500 of them being for invention.

FOTILE has a complete line of Kitchen Appliances including Range Hoods, Steam Ovens, Electric Ovens, Gas Cooktops, Water Purifiers, and a unique 3-IN-1 In-Sink Dishwasher.

Welcome to FOTILE.

We are a Breath of Fresh Engineering.

## FOTILE

# 3-IN-1 IN-SINK DISHWASHER

**3-IN-1** IN-SINK  
DISHWASHER™

A sink, a dishwasher, and a produce & seafood cleaner  
all in one product.

**A BREATH OF  
FRESH ENGINEERING®**

Why take up cabinet space under the counter, for a dishwasher?

Why should you have to bend to load and unload a dishwasher?

Why wait 90 minutes for a standard dishwasher to be done?

## **No need to compromise**

With FOTILE's innovative 3-IN-1 In-Sink Dishwasher, you can find new possibilities to improve your experience in the Kitchen.
